Wide Range of Products

**Nandeeka** is a brand of incense sticks that are commonly used for offering prayers and creating a relaxing atmosphere. These incense sticks are known for their mesmerizing fragrance that can uplift your mood and help you feel more calm and peaceful. Nandeeka incense sticks come in a variety of scents, each with its unique aroma and benefits. Some of the most popular scents include Lavender, Rose, Musk, Green Valley, Marigold, and many more.

Each of these scents has different properties that can help you with relaxation, meditation, or concentration.

Nandeeka incense sticks are made using natural ingredients and are free from harmful chemicals. They are a great way to enhance your spiritual practice and create a peaceful and relaxing environment in your home.

Available in 28 gm, 50 gm and 125 gm. We are also introducing PET bottle of 100 gms of Colour Batti which is a great way to offer customers a more convenient and eco-friendly packaging option. PET bottles are recyclable and can be easily reused, making them a more sustainable alternative to traditional plastic packaging. Color batti is another type of incense stick that is used for decorative and aromatic purposes. These sticks come in a variety of colors, and they can be used to create a colorful and festive atmosphere during special occasions or events.
